Before you order

Prices you can trace

Each figure is copied from the exact product variant on the official Global USD store on 28 September 2026. The source links and variant identities are retained in the editable price master.

W.e.f. and validity

W.e.f. 28 September 2026 applies to this catalogue edition and its dated online-price snapshot. It does not assert that every product price first changed on that date. No fixed price-validity end date is published here; the current product page and checkout govern the transaction.

Availability

Sold-out products remain visible for reference and are marked accordingly. Product images represent the range; the selected pack may differ in appearance. A listing, larger pack or displayed price is not a promise of stock, dispatch time or destination eligibility.

Taxes, delivery and trade terms

Check the exact product and checkout for taxes, delivery and payment terms. For custom quantities, agree pack size, quantity, destination, price, taxes, freight, payment and lead time in writing. No additional wholesale discount, case quantity or minimum order has been inferred.

Manufacturing is a separate enquiry

A retail or bulk listing does not establish private-label availability or suitability for contract manufacture. Use the manufacturing guide and existing enquiry form for a project-specific review.
